MEMORANDUM FOR: Director of Security

SUBJECT: Identification to Foreign Intelligence Services

REFERENCE: dtd 11 Jul 58

The referenced notice requires a report on instances which may demonstrate or raise the possibility of identification to foreign intelligence services. I could supply specific numerous instances, but inasmuch as my connection with the Agency is a matter of public record and if I recall correctly has appeared in the newspaper, I assume that I am identified to any foreign intelligence service that might be interested. I trust this will serve as a report pursuant to the Notice.
